Presentation Partners in Mission

We whole-heartedly thank the following individuals and organizations for their generous support of Presentation life and ministry in 2013. Your partnership is vital to our ministry. Because of the ongoing support of friends and benefactors, our sisters, through their works of service, hospitality and support in 13 states, the District of Columbia, Bolivia and Ireland, have been able to help many people who would not otherwise have received assistance. We simply couldn't do the work that we do without your partnership and prayers. You are remembered with special gratitude in the daily prayers and ministry of the Sisters of the Presentation. Thank you for being Presentation Partners in Mission!

Because of your generosity, even greater imaginings can be brought to reality.

Sister Julie Marie Marsh
 Director of Campus Ministry
 University of St. Mary
 Leavenworth, Kansas

I wasn't ministering at the campus but three months before someone brought to my attention a student who had been sleeping at night in the stacks of the English Department for two weeks due to an abusive family situation. She had nowhere to live. She had been living out of a friend's car until the temperatures turned cold. She had no warm clothing or substantial food available to her. She attended her classes in hopes of finishing her education to make a better life but it seemed life's challenges were always against her. As the director of campus ministry, I began to encounter more and more students who were lacking in meeting

their basic human needs of food, clothing, shelter and safety. Unlike a parish setting, there were no funds available for extraordinary circumstances for students in need. I approached the University's administration requesting to begin such a fund and soon found myself soliciting donations to support this project.

Today the "USM Campus Ministry Angel Fund" relies totally upon donations. Your gifts to the Presentation community help to directly support this ministry fund. It was with this fund that I was able to purchase a plane ticket for an African-American young man from the state of Washington to tend to his seven younger siblings after receiving word that his grandmother, who is raising the children, had a heart attack. The stories are endless. Thank you for your support in my ministry to young adults ... the future of our society. They will remember this kindness and pay it forward, for this I am certain.

Together we are making a difference in the lives of others by meeting unmet needs.

Sister Carla Popes
Pastoral Associate
St. Mary Catholic Church
Strawberry Point, Iowa

Thank you – my heart is filled with deep gratitude as I see the difference your gifts to our Presentation community are making in my ministry at St. Mary Parish community of Strawberry Point, Iowa, and in other Presentation ministry efforts.

St. Mary's is a welcoming faith community serving families in Clayton and Fayette Counties where many families live in poverty. Because of your generous support, St. Mary Parish has begun new initiatives. A food pantry housed in a room in the church hall at St. Mary's now serves families in need of food. The Good News continues as other churches within the city are

now partnering with us in an effort to minister to more. Together, we will soon begin serving a simple monthly meal and all are welcome. In addition, this donation has helped us to provide fuel assistance during these cold months.

Your gifts strengthen our hope that together we are making a difference in the lives of others. New relationships are being formed and fostered both in our parish community and in an ecumenical effort with our sisters and brothers of other denominations.

It is a beautiful thing to witness the ongoing ministry that began many years ago in Ireland when our foundress Nano Nagle dared to say "yes" with her whole life as she was called to serve and educate the poor of Ireland during Penal Law times. We are the hands, feet and hearts of Jesus alive in our world today. Need continues to call us to care for one another wherever that need may be.

 Missionaries
 Entre Ríos, Bolivia*

Each of us ministering here in Bolivia brings our unique gifts to the mission and together we offer service to God's people.

Our first and primary ministry is presence. There are over 130 small communities within the parish, literally scattered throughout the mountains, distances from 20 minutes to four hours of travel time. We accompany the catechists who promote the faith life by visiting and animating their communities. When necessary we provide transportation to those who need medical treatment and help families pay for medicine. One of our more recent ministries is

helping people attain their legal documents and required government ID cards. This is essential so that they can register their children for classes and receive educational, health and social security benefits from the state. Many times youth come to our door for help with their studies or to do group work in our library. At the present, we are welcoming university students into our ministry and our home. Visits to the hospitals, schools and jail are also part of our ministry. Thank you for your gifts to the Sisters of the Presentation which help us meet the many needs of the people we serve.

You, our donors, are our most committed and treasured partners in our ministry at La Luz Hispana (*The Hispanic Light*). Your gifts make it possible for us to provide transportation and accompany severely diabetic persons, expectant mothers and persons with work-related injuries to their appointments, interpret their symptoms to physicians, explain their medical advice and facilitate the purchase of essential

medicines for healthy living. We are also grateful for the learning resources so indispensable to learning English, citizenship, cooking or arts and crafts. Without your generous contributions and prayers our ministry would be much less. Together we share in God's love and outreach to the poorest and most vulnerable among us. Thank you. May God bless you abundantly.

Did You Know?

We invite you to share your special prayer intentions. We will pray for you in our daily prayers. Prayer requests can be submitted by calling 563-588-2008 or at www.dubuquepresentations.org. Your prayer requests will be placed on the prayer board at our motherhouse. On the 25th of every month, we pray for you, our friends and benefactors, at daily Eucharist.

Through your gifts, you help nurture new beginnings.

I see you, our Presentation Partners in Mission, as family in our school's motto: "We are One Family in Faith, Hope and Charity." Through your generosity, I was able to renew two of our computer programs which impacts all of the students and staff Pre-K to 8th grade. This year has found many of our families struggling to meet everyday needs for the family. Because of your gifts to the Presentation community, I was also able to give financial assistance to a family to help pay their quarterly tuition. We give you all a great big shout-out, "THANK YOU!" You do make a difference in our lives.

One Pace Beyond ...

Challenged by foundress, Nano Nagle, to go one pace beyond, we, the Sisters of the Presentation, together as people of God, set aside time every five years to discuss the needs of the church and world. In 2013, our Directional Statement evolved, through our dialogue, listening and prayer. We invite you to partner with us, meet needs in your part of the world and keep Nano's dream alive.

Directional Statement

Ignited by the fire of God's love and impelled by the legacy of Nano Nagle, we, the Sisters of the Presentation of Dubuque, participate in the evolving consciousness of the cosmos by

reverencing relationships
celebrating unity
engaging contemplation and
fostering partnerships

to transform ourselves and our world.

Adopted January 2013
